'The book is heart-warmingly honest and beautifully fun. Reading it felt like having a conversation with a best friend' Grace Beverley 'If like me, you've grown up in a predominately male household, you're going to love the revelations about sisterhood, self-love and sex in this book. There's so much to learn when it comes to being your own woman and Tolly T, Audrey and Milena aren't afraid to tell you every last detail' Julie Adenuga Join your girl Tolly T, Audrey, formerly known as Ghana's Finest, and your mamacita Milena Sanchez as they get super honest about their life experiences and lessons. From their different approaches to love to their wise advice on building strong friendships; from those conversations about sex we never have, to how to enjoy life as a Black woman or a woman of colour, The Receipts girls always keep it real, authentic and fiercely funny. This book is a celebration of the wonderful messes, mistakes, successes, highs and lows of three audacious women who are still trying to get it right and live their best lives. It's time to normalise women sharing things with zero judgement, to embrace women for all their flaws and differences and to realise being completely yourself is the best thing you could possibly be. This is the sisterhood you've always wanted to be a part of. 'This book is raw, funny and feels like the best and most necessary dmc (deep meaningful chat) you'll ever have' Nicole Crentsil 'Keep the Receipts is relatable and hilarious; it offers you an opportunity to see yourself in its pages, and feel understood on a deeper level' Ms Banks

Nick Blase ruled the Chicago suburb of Niles for almost half a century, defeating every challenger and even facing down legendary Chicago mayor Richard J. Daley on occasion. Ultimately, Blase, the longest-sitting mayor in the country, resigned from office following an arrest on federal corruption charges the morning of his seventy-eighth birthday. He pled guilty and was sentenced to a year and a day in prison. Despite the cloud over his tenure, there is no doubt Blase made a huge impact on the sleepy suburb, turning the postwar bedroom community into an economic powerhouse that ranked with the largest cities in the state. After exhaustive research and hours of personal interviews, Andrew Schneider has put together a fascinating portrait of Blase's political career.

This volume uses autoethnography—cultural analysis through personal narrative—to explore the tangled relationships between culture and communication. Using an intersectional approach to the many aspects of identity at play in everyday life, a diverse group of authors reveals the complex nature of lived experiences. They situate interpersonal experiences of gender, race, ethnicity, ability, and orientation within larger systems of power, oppression, and social privilege. An excellent resource for undergraduates, graduate students, educators, and scholars in the fields of intercultural and interpersonal communication, and qualitative methodology.

Iliana Passing--wife, mother, and former acclaimed journalist--gave up her career to start a family. Almost fifteen years later, despite how much she loves her husband and kids, she can't help wondering how she ended up with a life spent carpooling and running errands. Ready to get back into the journalism game, Iliana searches for an exciting lead. When she discovers that Jeff Downs, the heartthrob star of an old TV show and her girlhood crush, now owns a nearby textile company, she thinks she's found her story: teen celebrity and its aftermath. But as Iliana gets to know Jeff, the two grow closer than she ever could've imagined. Now that her teenage dream has walked into her present-day reality, how far will she go to entertain an old fantasy?

Christie Watson, author of THE LANGUAGE OF KINDNESS 'Derek Owusu's writing is honest, moving, delicate, but tough. Once you lock on to his words, it is hard to break eye contact. A beautiful meditation on childhood, coming of age, the now, and the media. This work is heartfelt.' Benjamin Zephaniah 'Honest and beautiful.' Guy Gunaratne, author of IN OUR MAD AND FURIOUS CITY 'When writing is this honest, it soars. What an incredible use of language and truth.' Yrsa Daley-Ward _____ Anansi, your four gifts raised to nyame granted you no power over the stories I tell... This is the story of K. K is sent into care before a year marks his birth. He grows up in fields and woods, and he is happy, he thinks. When K is eleven, the city reclaims him. He returns to an unknown mother and a part-time father, trading the fields for flats and a community that is alien to him. Slowly, he finds friends. Eventually, he finds love. He learns how to navigate the city. But as he grows, he begins to realise that he needs more than the city can provide. He is a man made of pieces. Pieces that are slowly breaking apart That Reminds Me is the story of one young man, from birth to adulthood, told in fragments of memory. It explores questions of identity, belonging, addiction, sexuality, violence, family and religion. It is a deeply moving and completely original work of literature from one of the brightest British writers of today.

Edward Bunker's life is beyond the imaginings of most fiction writers. He was born in Hollywood, California, the son of a stagehand and Busby Berkeley chorus girl, whose early divorce propelled him into a series of boarding homes and military schools. From the age of five he repeatedly ran away, roaming the city streets at night. A proud character, combined with an IQ of 152, resulted in a series of altercations with the authorities. He became the youngest ever inmate of San Quentin at the age of seventeen, and there he learned survival skills and faced down

the toughest prisoners in the system. He was befriended by Mrs Louise Wallis, a former star of the silent screen and wife of movie mogul, Hal Wallis, who produced films starring Bogart, Cagney, Edward G. Robinson and George Raft. She introduced Bunker to her circle of friends, including Jack Dempsey, Tennessee Williams, Aldous Huxley and William Randolph Hearst, whose guest he was at San Simeon. A parole violation resulted in a spell crossing America as a fugitive on the FBI's most wanted list. His eventual capture led to Folsom prison. Encouraged by the example of Dostoevsky, Cervantes and Caryl Chessman, and by the kindness of Mrs Wallis, he determined to write his way out of prison. Bunker's first published novel, *No Beast So Fierce*, viewed by many including Quentin Tarantino as the finest crime novel ever written, changed his fortunes. It was filmed as *Straight Time*, starring Dustin Hoffman. He has written three other novels, *The Animal Factory*, *Little Boy Blue* and *Dog Eat Dog*, (all published by No Exit) admired by writers as diverse as William Styron and James Ellroy. He received an Oscar nomination for the screenplay of *Runaway Train*, and has appeared in a score of films, most notably his legendary role as Mr Blue in *Reservoir Dogs*. This blistering narrative is a memoir like no other.

Loretta Marion's debut novel is a twisty page-turner, expertly blending the webs of mystery, danger and suspense with the alluring possibility of romance from a once unrequited love.

What does the future look like? A brilliantly entertaining and original novel about the end of the economy from the visionary author of *Little Brother*.

"A magnificent novel" based on the 1872 *Polaris* expedition that left crewmembers marooned on an ice floe off the coast of Greenland (*The New York Times Book Review*). It is 1871. Nineteen men, women, and children, hailing from the United States, Germany, Denmark, England, and Sweden, and including two Inuit families, set out on Arctic explorer USS *Polaris*. But their voyage soon goes wrong. The ship founders, leaving its passengers adrift on an ice floe and, ultimately, stranded alone in the Arctic for six harrowing months. Based on an incredible true story, *Afterlands* envisions in vivid detail both the life-and-death challenges of the harsh landscape and the violent human threats of nationalism, ethnicity, rivalries, suspicion, hunger, and love. Weaving together fiction and history, and drawing on the writings of one of the passengers on the actual journey, Lt. George Tyson, Steven Heighon's "beautifully written" novel explores the shattering emotional and psychological consequences faced by those who survived (*The Washington*

Post). "An exceptionally satisfying adventure." —Publishers Weekly

Reader: beware. Warlocks with dark spells, hunters with deadly aim, and bakers with ovens retrofitted for cooking children lurk within these pages. But if you dare, turn the page and learn the true story of Hansel and Gretel - the story behind (and beyond) the bread crumbs, edible houses and outwitted witches. Come on in. It may be frightening, it's certainly bloody, and it's definitely not for the faint of heart. 'Gidwitz manages to balance the grisly violence of the original Grimms' fairy tales with a wonderful sense of humor and narrative voice. Check it out!' Rick Riordan 'Unlike any children's book I've ever read. [It] holds up to multiple readings, like the classic I think it will turn out to be' New York Times 'An audacious debut that's wicked smart and wicked funny' Publisher's Weekly, starred review 'Addictively compelling' School Library Journal, starred review

The American Psychiatric Publishing Textbook of Geriatric Psychiatry is an indispensable resource for psychiatric clinicians and trainees charged with assessing, diagnosing, and treating mental disorders in our nation's burgeoning population of older adults, as well as the nurses and other professionals who provide critically important care day to day.

Building on the prodigious strengths of previous editions, this revision is the most current, comprehensive, and systematic textbook of geriatric psychiatry available today, and the only one that is DSM-5® concordant. The text's organization is user-friendly and practical, with sections addressing the basic science of geriatric psychiatry, the diagnostic interview in late life, psychiatric disorders in late life, treatment, and special topics. In addition, an array of useful features are included: The new DSM-5 structure and classifications have been integrated into every chapter, ensuring that readers understand how the changes impact diagnosis and patient care. Not only do the authors provide up-to-date information on psychiatric disorders, they also contextualize that information for the geriatric population, presenting the latest thinking on the phenomenology, diagnosis, and assessment of late-life mental disorders such as dementia and other neurocognitive disorders, mood disorders, anxiety disorders, and circadian rhythm disorders. All treatment sections have been thoroughly updated to incorporate the most recent knowledge and research findings on psychotherapeutic, psychopharmacological, and other somatic treatments. The book offers an impressive set of graphical and illustrative features to help the reader comprehend and retain the material, including outlines, bulleted key points, and tables, as well as lists of essential readings to deepen understanding of complex topics. Widely recognized as the standard in its field, The American Psychiatric Publishing Textbook of Geriatric Psychiatry serves a critical need for clinicians challenged to meet the mental health needs of an aging population.

As a veteran emergency room physician, Dr. Brian Goldman has a successful career setting broken bones, curing pneumonia, and otherwise pulling people back from the brink of medical emergency. He always believed that caring came naturally to physicians. But time, stress, errors, and heavy expectations left him wondering if he might not be the same caring doctor he thought he was at the beginning of his career. He wondered what kindness truly looks like—in himself and in others. In *The Power of Kindness*, Goldman leaves the comfortable, familiar surroundings of the hospital in search of his own lost compassion. A top neuroscientist performs an MRI scan of his brain to see if he is hard-wired for empathy. A researcher at Western University in Ontario tests his personality and makes a startling discovery. Goldman then circles the planet in search of the most empathic people alive, to hear their stories and learn their secrets. He visits a boulevard in São Paulo, Brazil, where he meets a woman who calls a homeless poet her soulmate and reunited him with his family; a research lab in Kyoto, Japan, where he meets a lifelike, empathetic android; and a nursing home in rural Pennsylvania, where he meets a therapist at a nursing home who has an uncanny knack of knowing what's inside the hearts and minds of people with dementia, as well as her protege, a woman who talked a gun-wielding robber into walking away from his crime. Powerful and engaging, *The Power of Kindness* takes us far from the theatre of medicine and into the world at large, and investigates why kindness is so vital to our existence.

Victoria and Kate have been captured again only this time their chances are not looking good. However, a new character appears as a rescuer and a whole new adventure begins. This tale is graphic in nature and is intended for adults only. All characters depicted are 18 or older. Enjoy
