?La inspectora Beatriz Jiménez Martínez conducía plácidamente su descapotable blanco cuando se salió de la carretera y fue a dar con sus huesos a Penrose, un extraño lugar donde el tiempo no es como debería ser. Entre asesinatos, intrigas, la poderosa familia, los curas, clínicas privadas, el tío hallado en el río, el laberinto subterráneo y el bar Hitler, se halla una trama bien urdida, ¿pero por quién? Un trasfondo, tan disparatado como impactante, del que Beatriz querrá escapar, pero antes ha de resolver los crímenes y misterios que le ha ordenado la jueza. Entre lo absurdo y lo surreal se halla la verdad; una verdad basada en estudios científicos. Aunque aquí, en Penrose, nada es lo que parece, y todo tiene un porqué...

“A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re *Once Gone*) ONCE LURED is book #4 in the bestselling Riley Paige mystery series, which begins with the #1 bestseller ONCE GONE (Book #1)—a free download, with over 500 five star reviews! Women are turning up dead on a lone stretch of highway in Delaware. Some go missing for an inexplicable length of time, while others are turning up dead, their bodies left out for display in bizarre and mysterious ways. When a pattern is discovered, it becomes clear to the FBI that a twisted serial killer is on the hunt—luring girls in devious schemes—and that he won’t stop killing, ever. The FBI, desperate to crack the case, urges Special Agent Riley Paige to take it on. But the brilliant Riley, still reeling from past cases, has finally found peace in her home life, and is determined to help her daughter April get back on her feet. Yet when the murders become too disturbing, too urgent—and when her former partner Bill implores her—Riley finally realizes she can’t say no. Riley’s hunt leads her deep into the unsettling world of hitchhikers, of drifters, of women that no one else cares for. When she discovers that several women are being kept alive and that there is still time to save them, she realizes she will stop at nothing, obsessing over the case and driving herself to the brink. Yet Riley realizes her own life is falling apart, and her own fragile psyche can barely handle the strain. In a frantic race against time, she will have to plunge deep into the killer’s mind to save these women—and to save herself—from collapse. A dark psychological thriller with heart-pounding suspense, ONCE LURED is book #4 in a riveting new series—with a beloved new character—that will leave you turning pages late into the night. Book #5 in the Riley Paige series will be available soon.

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace “A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought.”—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don’t understand the difference between

the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—*The Washington Post Book World* "Compelling."—*USA Today* "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—*The Sciences* "Passionate."—*San Francisco Examiner-Chronicle*

Blending together personal stories, anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side.

Tibet in the 13th century. The so-called "Land of Snow," beacon of eastern Buddhism, is under the authority of the Mongol Empire, whose domains extend throughout most of the known world. In this context, the death of the leader of the main Buddhist school urges his followers to begin the search for his reincarnation: a boy who as yet knows nothing of the wisdom within him and the role destiny has in store for his people's future. Meanwhile, a humble peasant family, threatened by the assault of the Mongol army, is forced to leave their home village and set out on a journey with consequences none of them can foresee. A vibrant and moving novel which takes the reader into an environment of legend where the faith of the people and the bleakness of the landscape blend to form a living unity.

El autor de *Z, la ciudad perdida*, David Grann, regresa con un emocionante True Crime que desvela una de las conspiraciones más monstruosas de la historia de Estados Unidos. Best Seller de *The New York Times*, mejor libro del 2017 según Amazon y Ganador del Edgar Allan Poe Award al Best Fact Crime. En los años veinte, la comunidad india de los Osage en Oklahoma era la población de mayor renta per cápita del mundo. El petróleo que yacía bajo sus propiedades les convirtió en millonarios: construyeron mansiones, tenían chóferes privados y mandaban a sus hijos a estudiar a Europa. Pero un espiral de violencia asoló esta comunidad indígena cuando sus miembros empezaron a morir y a desaparecer en extrañas circunstancias. La familia de una mujer Osage, Mollie Burkhart, se convirtió en un objetivo principal. Sus tres hermanas fueron asesinadas. Una fue envenenada, otra murió a tiros y la tercera falleció en una explosión. Otros miembros de la los Osage morían en circunstancias misteriosas, y muchos de los que se atrevieron a investigar los crímenes fueron también asesinados. Cuando el número de muertos alcanzó los veinticuatro, el recién inaugurado FBI decidió intervenir y fue uno de sus primeros grandes casos de homicidio. Después de que la investigación resultara un desastre, el joven director J. Edgar Hoover acudió al antiguo comandante de Texas, Tom White, para que

desvelase el misterio. White estableció un equipo infiltrado, incluyendo a un agente nativo en el grupo. En este apasionante true crime, que Martin Scorsese y Leonardo DiCaprio llevarán a la gran pantalla, se revelan nuevos secretos de una de las conspiraciones más siniestras contra la comunidad indígena de Estados Unidos. Como ya hizo en Z, la ciudad perdida, Grann se sumerge en una profunda y exhaustiva investigación para desvelar uno de los episodios más oscuros y despiadados de la Historia norteamericana. La crítica ha dicho: «Los asesinos de la luna es un relato perturbador, agonizante y sin parangón, capaz de estrujarte el estómago en un puño y no soltarlo hasta leer la deliberación final, que invito a que conozcas de la mano de Grann» Alba R. Prieto, Negra y mortal «Una historia increíble y monstruosamente disparatada, pero desgraciadamente cierta, estupendamente bien contada en un espléndido ejercicio de nuevo periodismo. Una vez más, la realidad supera a la ficción.» Antonio F. Rodríguez, La Antigua Biblos «Los asesinos de la luna es un libro magnífico, una cautivadora historia real de avaricia, asesinatos en serie e injusticia racial [...]. David Grann es un periodista extraordinario, y esta obra es quizá lo mejor que ha escrito.» Jon Krakauer «Perturbador y fascinante [...] abrasará tu alma.» Dave Eggers, The New York Times Book Review «Un trabajo magistral de periodismo literario.» The Boston Globe «La historia criminal que cuenta es atroz y repleta de héroes y villanos reales. Hará que te estremezcas ante la inhumanidad del hombre hacia sus congéneres.» Dwight Garner, The New York Times «Una historia increíble, emocionante e imposible de dejar, escrita por una autor cuyos misterios basados en hechos reales siempre van más allá de lo que el lector se espera.» The Paris Review «Como un maestro de la historia detectivesca, Grann sabe guardarse lo mejor para el final. Es ahí donde su investigación meticulosa, paciente y detallada finalmente penetra la neblina de mentiras y pruebas comprometedoras para llegar al sólido territorio de la verdad.» The Wall Street Journal

HE WAS THE KEEPER - Arno Holmstrand is about to die, his life cut short by an organization intent on laying claim to the secrets he has spent a lifetime guarding: the location of the lost Library of Alexandria, and the vast knowledge it has hidden for centuries. SHE WILL INHERIT HIS LEGACY - Emily Wess is about to have her life change beyond all recognition. One minute she is a professor of history, the next she is on a journey to the far corners of the world, deciphering strange clues left by her mentor, Arno Holmstrand. She is being tested, but for what? THEY WILL KILL FOR CONTROL - They are the Council and crave power and position. Their corruption spreads from the highest levels of government to the assassins they employ to commit their crimes. They will kill for the ancient knowledge contained in the Library. And Emily Wess has exactly what they want.

Often claimed to be among the first modern detective stories written, "The Murders in the Rue Morgue" exemplifies Poe's interest in the workings of the mind when facing cases that need to be solved. C. Auguste Dupin, the protagonist, is the forefather of all great detectives such as Sherlock Holmes, Hercule Poirot, and Philip Marlowe. Different from Poe's terror or horror-laden tales, the story nonetheless abounds in strange occurrences and horrific depictions. It has been made into several movie and TV adaptations, as well as radio programmes. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor

of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Martín Rivas (1862) is a novel by Alberto Blest Gana. Regarded as the first Chilean novel, Martín Rivas is a powerful story of romance, class, and national unity from an author who served for decades as a diplomat and ambassador for Chile. Inspired by the social realism of Honoré de Balzac, Blest Gana retains his European roots while remaining true to the emerging culture of his country. Martín Rivas has always feared the walls closing in. Born and raised in a poor mining community, he sees the limits placed on the lives of his friends and family. Generational poverty, instability, and bad health plague the workers of northern Chile, and he dreams of something more for his life. With his father's approval, Rivas travels to Santiago to take a job as a servant. Working in the home of a wealthy aristocrat, he does his best to acclimate himself to the manners and desires of the rich, but ultimately loses focus to his employer's beautiful daughter. Madly in love, he feels the walls inch closer once again. How will he reconcile his emotions with society's disapproval of relationships between members of opposing classes? How will he convince a man who controls his livelihood to allow him to court his own daughter? As he agonizes over his newly complicated reality, Rivas recalls how much he has overcome and wonders if it was worth the endless struggle. With a beautifully designed cover and professionally typeset manuscript, this edition of Alberto Blest Gana's Martín Rivas is a classic of Chilean literature reimaged for modern readers.

In CASTRO'S SECRETS, highly acclaimed author and intelligence expert Brian Latell offers a strikingly original view of Fidel Castro in his role as Cuba's supreme spymaster. Based on interviews with high level defectors from Cuba's powerful intelligence and security services, long-buried secrets of Fidel's nearly 50-year reign are exposed for the first time. They include numerous assassinations and attempted ones carried out on Castro's orders, some against foreign leaders. More than a dozen ranking Cuban secret agents embraced by the CIA and FBI speak in these pages; some have never told their stories on the record before. Latell also probes dispassionately into the CIA's most deplorable plots against Cuba - including previously obscure schemes to assassinate Castro - and presents shocking new conclusions about what Fidel actually knew of Lee Harvey Oswald prior to the assassination of John F. Kennedy.

'A groundbreaking work . . . Federici has become a crucial figure for . . . a new generation of feminists' Rachel Kushner, author of The Mars Room A cult classic since its publication in the early years of this century, Caliban and the Witch is Silvia Federici's history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages through the European witch-hunts, the rise of scientific rationalism and the colonisation of the Americas, it gives a panoramic account of the often horrific violence with which the unruly human material of pre-capitalist societies was transformed into a set of predictable and controllable mechanisms. It is a study of indigenous traditions crushed, of the enclosure of women's reproductive powers within the nuclear family, and of how our modern world was forged in blood. Ten years ago, four people were brutally murdered. One girl lived. No one believes her story. The police think she's crazy. Her therapist thinks she's suicidal. Everyone else thinks she's a dangerous drunk. They're all right-but did she see the killer? As the anniversary of the murders approaches, Faith Winters is released from the psychiatric hospital and yanked back to the last spot on earth she wants to be-her hometown where the slayings took place. Wracked by the lingering echoes of survivor's guilt, Faith spirals into a black hole of alcoholism and wanton self-destruction. Finding no solace at the bottom of a bottle, Faith decides to track down her sister's killer-and then discovers that she's the one being hunted. How can one woman uncover the truth when everyone's a suspect-including herself? Investigación histórica y criminológica sobre el asesino serial victoriano Jack the Ripper  
EL CONOCIMIENTO ES PODER Y EL PODER PUEDE MATAR. ÉL ERA EL CUSTODIO.  
Arno Holmstrand está a punto de morir a manos de una organización resuelta a apoderarse del secreto que ha guardado durante toda su vida: la ubicación de la biblioteca perdida de Alejandría y los vastos conocimientos ocultos en ella desde hace siglos. ELLA VA A HEREDAR ESE LEGADO La vida de Emily Weiss va a cambiar más allá de todo lo imaginable. En un minuto pasa de ser profesora universitaria de Historia a viajar a los más lejanos rincones del mundo y descifrar las extrañas pistas dejadas por su mentor, Arno Holmstrand. La están poniendo a prueba, pero ¿con qué fin? ELLOS ESTÁN DISPUESTOS A MATAR POR CONSEGUIRLO Ellos forman el Consejo y ansían el poder y la posición. Su

corrupción se extiende desde los más altos niveles de gobierno a los asesinos empelados para la comisión de sus crímenes. Matarían por el conocimiento arcano de la biblioteca. Y Emily Wess tiene exactamente lo que ellos buscan. Reseñas: «Thriller de lectura rápida, desenfadada y divertida». Kate Atherton, en Goodreads.com «Un ritmo trepidante con capítulos cortos, giros argumentales, un acertado final, enigmas y pistas para descifrar, misterios históricos, sociedades secretas, conspiraciones en las altas esferas políticas y asesinatos». Blog Me gustan los libros «Una representación completamente nueva de la biblioteca de Alejandría. Un thriller imprescindible que es imposible dejar de leer y con un final fabuloso». Bookoffers.com, Australia «Su lectura suscitó en mí un entusiasmo muy similar al experimentado la primera vez que descubrí las aventuras de Enid Blyton. Los libros deberían ser emocionantes, algunos por lo menos. Me sentí también transportado a los escenarios exóticos y románticos que visitaban los personajes de Agatha Christie en sus novelas desde los años 30. La novela de intriga de A.M. Dean me enganchó desde la primera página. El ritmo es tan rápido que me sentí como si estuviera aferrándome a algo para salvar la vida». 5 estrellas, David Spanswick, Amazon Vine «Una aventura amena y muy agradable que incluye una mezcla trepidante de secretos, política en Washington (¡me encanta esa parte!), historia y hallazgos. El autor aporta a la obra la enorme riqueza de sus conocimientos históricos y en ella hay hechos y fechas suficientes para satisfacer al lector más exigente. Apenas tienes tiempo para recobrar el aliento. La protagonista es un gran personaje femenino». Milo's Rambles Book Review «Es una novela cuidada, convincente y satisfactoria, un texto pasapáginas que te absorbe como si de arenas movedizas se tratara.» Sam Christer, autor de El enigma de Stonehenge «Esta novela supone un giro novedoso y fascinante sobre uno de los grandes misterios del mundo: la biblioteca perdida de Alejandría. En ella se engranan a la perfección los hechos históricos con la nueva tecnología y tiene lugar una persecución vertiginosa desde Estados Unidos a Inglaterra, para luego seguir en Egipto y Turquía. Emily Wess parece tenerlo todo en contra cuando se enfrenta a un grupo implacable y despiadado, capaz de anticipar y contrarrestar todos sus movimientos mientras, a la desesperada, intenta desvelar todas las pistas que la conducen hasta la última y sorprendente verdad acerca de la biblioteca perdida. La culminación de la historia resulta tan inesperada como satisfactoria. Nos hallamos ante una lograda obra prima de lectura adictiva». James Becker, autor de La piedra de Moisés

For the first time, all four Robert Langdon thrillers are now available as one ebook bundle. If you haven't read a Dan Brown yet, now's the time. ANGELS AND DEMONS The countdown to oblivion has started - who will stop the clock? A famous scientist is found dead, a mysterious symbol burned into his skin. Many miles away in Rome, the world's cardinals gather to elect a new pope. Little do they know that beneath their feet, a vast bomb has started to tick. Professor Robert Langdon must work out the link between these two seemingly unconnected events if he is to stop the Vatican being blown sky high. THE DA VINCI CODE The race to uncover the oldest secret has begun . . . An eminent man is brutally murdered in the world's most famous museum. Around his body are a ring of codes, hastily drawn in blood. He died to protect a long-kept secret which Professor Robert Langdon must now uncover. It will be a race against time to decipher this final message. Can he get there before the killers do? THE LOST SYMBOL To save a life, you must first crack the code . . . A mysterious invitation brings Professor Robert Langdon to Washington DC. But all is not as it seems in this powerful city. An ancient organization plans to reassert itself. And he is the only man standing in its way. If he is to prevent a terrible plan being executed, Langdon must decipher a series of increasingly bloody clues. But first he has to make sure he stays alive . . . INFERNO The world is in danger - who will save it? Robert Langdon wakes up in a Florence hospital with no clue how he got there. But another attack on his life makes it very clear – someone wants him dead. And fast. To survive, Langdon must work out who it is. And then he must answer the next question –

\*Winner of the 2014 Nobel Peace Prize\* In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

'I am no saint, no martyr, no terrorist, no madman and no murderer... I am a father. That's my story.' Dr David Evans, a top neurosurgeon at a hospital in Washington, faces the ultimate dilemma: if his next patient leaves the operating theatre alive, his daughter will die at the hands of a psychopath. He has 55 hours to save her. But Evans' patient is no ordinary man; he's the most important person in the US and what happens on the operating table may well change the course of history.

Reproduction of the original: The Purple Land by William Henry Hudson  
A kingdom in danger, a great betrayal, a boy seeking to redeem his father's honor. Will he succeed in exonerating him and saving the realm from an enemy in the shadows before it is too late for the whole North? By the age of fifteen, Lasgol has endured a hard childhood and lives, cornered and hated, in a small village in the North. He is the son of the traitor, the man who betrayed the kingdom and tried to kill the King. His only companions are the mountains and the snow, ever-present in the region. Yet he refuses to believe that his father is guilty, in spite of all the evidence that points to the fact, even though the King

himself was a witness to the betrayal. Lasgol is determined to clear his father's name, and to do this he has only a single option: the School of Rangers, a secret place where the respected and feared defenders of the lands of the kingdom are trained for four years. Going there is insane, hate and death await him there. But as the son of a Ranger, he is entitled to attend. At the Camp he will find himself involved in political intrigues, disloyalties and murder. He will encounter hatred and fearsome enemies, but also a handful of friends, novices as much out of place as he is himself, determined to do whatever is necessary to pass the first year ... without dying in the attempt. Will Lasgol survive the first year of instruction at the Rangers' Camp? Will he find out what happened to his father? Will he be able to clear his name? Find out while you follow fascinating adventures with a group of characters you will fall in love with. The adventure begins right now! Volume 1 of the candid, no-holds-barred account by American anarchist Goldman relates her philosophical and political journey through life, beginning with her emigration from Russia to the U.S. in 1886.

José Enrique Ruiz-Domènec construye un gran relato sobre los momentos cruciales y las figuras fundamentales de la historia de España. Se trata de un libro vertebrado por una serie de estudios, imaginativos e iluminadores, y al tiempo rigurosos, sobre la romanización, el perfil del pueblo visigodo, los avatares de la formación del modelo político de los Omeyas, la creación de los reinos cristianos en la Edad Media, el ritmo de las transformaciones que condujeron al estado dinástico de los Reyes Católicos, las alegrías y los sinsabores del Siglo de Oro, los sueños del reformismo ilustrado, la revelación del sentimiento patriótico en el curso de la Guerra de Sucesión y de la Guerra de la Independencia, la falta de vertebración de los proyectos políticos del siglo XIX, incluido el de la Restauración, el laberinto del siglo XX con su trágico resultado de la Guerra Civil, la recuperación del pulso de la historia en la transición y los proyectos de futuro.
