postcards.

From an adventurous balloon ride above the clouds to a monster-filled metropolis, Academy Award®-winning director Pete Docter ("Monsters, Inc.," "Up") has taken audiences to unique and imaginative places. In Disney•Pixar's original movie "Inside Out," he will take us to the most extraordinary location of all—inside the mind. Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions – Joy, Fear, Anger, Disgust, and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school. In this groundbreaking and illuminating film, Pixar Animation Studios examines the extraordinary depths of the mind and the powers of emotion and imagination. The Art of Inside Out provides an exclusive look into the artistic exploration that went into the making of this vibrant film. Featuring concept art—including sketches, collages, color scripts, and much more—and opening with a foreword by actress Amy Poehler and

introduction by the film's writer and director Pete Docter, this is the ultimate behind-the-scenes experience of the making of this landmark film. Copyright ©2015 Disney Enterprises, Inc. and Pixar. All rights reserved.

A new addition to the Disney postcard books series offers three-dimensional Disney magic with images of Disney favorites like Mickey, Snow White, Jafar, Genie, Cinderella, Belle, Mrs. Potts and Chip, Pumbaa, Simba, and many more. Original. 100,000 first printing.

Anyone who has ever walked through the gates at a Disney Park knows that there is a magical experience waiting to be had on the other side. All of the telltale signs are there: the sound of joyful music pipes across the promenade; the smells of popcorn and cookies waft through the air; and the colorful attraction posters depict all the wonderful rides and shows created for Guests by the Imagineers. Poster Art of the Disney Parks is a tribute to those posters, which begin telling the story of each attraction even before Guests have entered the queue area. Disney attraction posters have been an important means of communication since Disneyland began displaying them in 1956. Not only are they eye-catching pieces of artwork that adorn the Parks with flair and style, they are also displayed to build excitement and disseminate information about the newest additions to the Disney landscape. When the first attraction

## Online Library The Art Of Disney Postcards The Renaissance And Beyond 1989 2014

posters made their debut at Disneyland, one such piece of art proclaimed that Guests could have a “true-life adventure” on the Jungle Cruise. And in 2012 at Disney California Adventure, a poster announced the grand opening of Cars Land—the newest thrill-filled destination at the Disneyland Resort. Both of those posters are reproduced within this book, along with posters from every decade in between. As evidenced by the evolution of the attraction posters, art styles and design techniques have certainly changed over the years. These characteristics also differ from continent to continent. Posters from Tokyo Disneyland, Disneyland Paris, and Hong Kong Disneyland exhibit the nuances in presentation that give each Park’s pantheon of posters its signature look. But while artistic interpretations and color palettes may vary from Park to Park and from year to year, the spirit of Disney storytelling is a constant that ties them all together. In Walt Disney Animation Studios upcoming film, *Frozen*, the fearless optimist Anna sets off on an epic journey—teaming up with rugged mountain man Kristoff—to find her sister Elsa, whose icy powers have trapped the kingdom of Arendelle in eternal winter. Encountering Everest-like conditions, Anna and Kristoff battle the elements in a race to save the kingdom. The Art of *Frozen* features concept art from the making of the film—including character studies and sculpts, color scripts, storyboards, and

more—alongside interviews with the film's artists about the making of this comedy-adventure. © Disney

As the Walt Disney Studio entered its first decade and embarked on some of the most ambitious animated films of the time, Disney hired a group of "concept artists" whose sole mission was to explore ideas and inspire their fellow animators. *They Drew as They Pleased* showcases four of these early pioneers and features artwork developed by them for the Disney shorts from the 1930s, including many unproduced projects, as well as for *Snow White and the Seven Dwarfs*, *Pinocchio*, and some early work for later features such as *Alice in Wonderland* and *Peter Pan*. Introducing new biographical material about the artists and including largely unpublished artwork from the depths of the Walt Disney Archives and the Disney Animation Research Library, this ebook offers a window into the most inspiring work created by the best Disney artists during the studio's early golden age. *They Drew as They Pleased* is the first in what promises to be a revealing and fascinating series of books about Disney's largely unexamined concept artists, with six volumes spanning the decades between the 1930s and 1990s. Whether you choose Captain America, the Silver Surfer, Spider-Man or any of the other stunning cards in this set, it's guaranteed to be the best-looking piece of mail they've ever received!

Walt Disney once wisely said, "There is more treasure in books than in all pirates' loot on Treasure Island and at the bottom of the Spanish Main . . . and best of all, you can enjoy these riches every day of your life." No doubt Walt was referring to the intangible wealth of opportunities for learning and imagining inherent in the act of reading, but when one considers the vibrant art and gilded spines of the Disney Golden Books, Walt's pronouncement takes on a parallel meaning. For perhaps no other children's books are as cherished and collected-as though they were doubloons and jewels-than the Disney Golden Books. The history of these books began in 1933, when the president of Whitman Publishing wrote a letter to Walt Disney. Whitman had already published compilations of the "Dick Tracy" and "Little Orphan Annie" comic strips, and these Big Little Books had met with great success. The publisher proposed a similar collection of

## Online Library The Art Of Disney Postcards The Renaissance And Beyond 1989 2014

the "Mickey Mouse" comic strips, and offered a royalty of one-half percent per book. Walt agreed, and a new era in Disney publishing commenced. A remarkable lineup of talent, many of whom were Disney Studio artists- including Mary Blair, Alice and Martin Provinsen, Gustaf Tenggren, Al Dempster, Retta Scott Worcester, and Bill Peet-created the illustrations for the early Disney Golden Books. The bold and incredibly detailed artwork was painstakingly executed in gouache and watercolor-media that required a steady hand and immense patience and precision. The resulting publications became favorite selections in the libraries of many children, among them, future generations of Disney and Pixar artists who were inspired to draw, dream, and later, create their own films and Golden Books. The Art of the Disney Golden Books celebrates a legacy that has now thrived for more than eighty years and continues to influence new generations of artists and filmmakers. Through interviews with contemporary animators who recall tracing the characters in their childhood Disney Golden Books, paintings by artists who influenced and inspired the Disney Golden Book illustrations, and a generous complement of Golden Book artwork-much of which was thought to have been lost until very recently-the rich tradition of the series is explored in this vibrant volume. From Peter Pan and Cinderella to Toy Story and Tangled, the Disney Golden Books are displayed in all their glory, evoking a poignant sense of wonder and nostalgia. For as long as parents and children partake in the ritual of reading together at bedtime, the Disney Golden Books will continue to be published, enjoyed, and treasured.

A new cast of characters will join the wonderful world of Disney this fall. Meet the stars of *A Bug's Life*, many of whom will be featured in this photographic postcard book. There's Hopper the Grasshopper (voiced by Kevin Spacey) and his gang of food-robbers; the Queen of Ant Island (Phyllis Diller) and her daughter Princess Atta (Julia Louis-Dreyfus); the hardworking Flik (Dave Foley); flea-circus ringmaster P.T. Flea (John Ratzenberger); and several other friendly -- and not-so-friendly -- grasshoppers, plants, worms, caterpillars, and others low to the ground. *A Bug's Life* Postcard Book will capture in high-quality detail many memorable scenes from the movie and is sure to delight fans and animation art collectors alike.

A lighthearted twist on Rapunzel, the beloved fairy tale from the Brothers Grimm, *Tangled* brims with thrilling

## Online Library The Art Of Disney Postcards The Renaissance And Beyond 1989 2014

adventure, a distinctive cast of characters, a daring heroine, and, of course, seventy feet of golden hair. Featuring the stunning concept art behind the newest Disney masterpiece, *The Art of Tangled* also includes a preface by John Lasseter, a foreword by Directors Nathan Greno and Byron Howard, and interviews with the artists, animators, and production team—including Art Director David Goetz—that shed light on the history and artistry of this landmark film.

Father of Andrew Wyeth, pupil of Howard Pyle, and one of the preeminent illustrators of the twentieth century, Newell Convers Wyeth (1882–1945) learned early to use dramatic effects to great advantage in his works. At the start of his career, these robust, romantic illustrations earned their creator many commissions from such popular publications of the period as *Harper's Monthly*, *Ladies' Home Journal*, *McClure's*, and *The Saturday Evening Post*. This gallery of art cards presents 24 of Wyeth's most dynamic illustrations for magazines and literary classics as well as selections from his personal paintings, landscapes, and other works from the exclusive collection of the Brandywine River Museum of Art, located in Chadds Ford, Pennsylvania. Highlights include illustrations from *Kidnapped*, *Treasure Island*, and *The Last of the Mohicans* as well as portraits of George Washington and William Penn and rural scenes from the Chadds Ford area. An Introduction and Notes by a Brandywine River Museum curator complement the images.

Capturing the boundless creativity of the LEGO® brand, this colorful book recreates objects and scenes from

## Online Library The Art Of Disney Postcards The Renaissance And Beyond 1989 2014

everyday life using LEGO bricks.
